## PORTABLE

Designed to pack efficiently into a wheeled case that ships Fedex/UPS. Includes custom foam packing components for a safe transport.

## SLEEK DESIGN

Clean lines and minimal visible structure offer a high end look that stands out on the trade show floor.

## USER FRIENDLY ASSEMBLY

With straightforward assembly instructions show the frame is easily built using an allen wrench-style tool.

## VISUAL IMPACT

Designed for maximum impact, graphics cover 95% of visible surface area.

## HIGH RESOLUTION GRAPHICS

Graphics are crisp ink jet prints, laminated for protection.

## SECURITY

Locking podiums are standard on all StratoSpace Orbit™ models.

## LIFETIME WARRANTY

Hardware is backed by a lifetime warranty against manufacturing defects.
